

Nature Self-Portrait!

1 Collect natural things
from outside:

stones
twigs
grass
moss
leaves
flowers
shells and
seaweed –
if you're
on the beach

2 Now arrange
them on the
ground to make
your face!

3 Now add
your body!
What will you
wear?

4 Stand back
and admire
your picture
of yourself!

5 You can write your
name with stones,
leaves or flowers too.
