

Cloud Watching

Look at the clouds.
So many different
shapes!

What can
you see?

Animals?

people?

Things?

▶ On a dry day, find
somewhere safe outdoors
to lie down and look
up at the clouds.

Maybe lie down on a
coat or something soft.

Look up - but don't look
directly at the sun.

Watch the clouds change shape
as they drift across the sky

Now try

Make up a story about what
you see in the clouds.

Imagine you **ARE** a cloud!
Write about your adventures.
