

Order	Family	Species
Araneae (Spiders)	Agelenidae	?Agelena labyrinthica
Araneae (Spiders)	Araneidae	Araenus quadratus
Araneae (Spiders)	Araneidae	Araneus diadematus
Araneae (Spiders)	Araneidae	Araneus sp. (imm)
Araneae (Spiders)	Araneidae	Araneus sp. (imm)
Araneae (Spiders)	Araneidae	Araniella ?cucurbitina
Araneae (Spiders)	Clubionidae	Clubiona ?reclusa
Araneae (Spiders)	Clubionidae	Clubiona ?reclusa
Araneae (Spiders)	Hahniidae	Hahnia nava
Araneae (Spiders)	Linyphidae	Araeoncus humilis
Araneae (Spiders)	Linyphidae	Linyphia ?triangularis
Araneae (Spiders)	Linyphidae	Linyphia ?triangularis
Araneae (Spiders)	Linyphidae	Linyphia hortensis
Araneae (Spiders)	Linyphidae	Linyphia triangularis
Araneae (Spiders)	Linyphidae	Micrargus herbigradus sensu s
Araneae (Spiders)	Linyphidae	Neriere peltata
Araneae (Spiders)	Linyphidae	Oedothorax fuscus
Araneae (Spiders)	Linyphidae	Saaristoa abnormis
Araneae (Spiders)	Linyphidae	unidentified Linyphiid
Araneae (Spiders)	Linyphidae	Walckenaeria nudipalpis
Araneae (Spiders)	Linyphiidae	Erigone atra
Araneae (Spiders)	Linyphiidae	Microlinyphia pusilla
Araneae (Spiders)	Linyphiidae	Oedothorax retusus
Araneae (Spiders)	Linyphiidae	Silometopus elegans
Araneae (Spiders)	Lycosidae	Pardosa ?pullata
Araneae (Spiders)	Lycosidae	Pardosa palustris
Araneae (Spiders)	Lycosidae	Pardosa pullata
Araneae (Spiders)	Lycosidae	Pirata uliginosus
Araneae (Spiders)	Lycosidae	Pirata uliginosus
Araneae (Spiders)	na	unidentifiable spiderlings
Araneae (Spiders)	na	unidentifiable spiderlings
Araneae (Spiders)	na	unidentifiable spiderlings
Araneae (Spiders)	na	unidentifiable spiderlings
Araneae (Spiders)	na	unidentifiable spiderlings
Araneae (Spiders)	Philodromidae	Philodromus ?aureolus
Araneae (Spiders)	Philodromidae	Tibellus oblongus
Araneae (Spiders)	Philodromidae	Tibellus oblongus
Araneae (Spiders)	Tetragnathidae	Metellina ?segmentata
Araneae (Spiders)	Tetragnathidae	Metellina ?segmentata
Araneae (Spiders)	Tetragnathidae	Metellina ?segmentata
Araneae (Spiders)	Tetragnathidae	Metellina ?segmentata
Araneae (Spiders)	Tetragnathidae	Metellina mengei
Araneae (Spiders)	Tetragnathidae	Metellina mengei
Araneae (Spiders)	Tetragnathidae	Metellina mengei
Araneae (Spiders)	Tetragnathidae	Metellina segmentata
Araneae (Spiders)	Tetragnathidae	Metellina segmentata
Araneae (Spiders)	Tetragnathidae	Metellina segmentata
Araneae (Spiders)	Tetragnathidae	Metellina sp. ?segmentata
Araneae (Spiders)	Tetragnathidae	Metellina sp. ?segmentata

Araneae (Spiders)	Tetragnathidae	Metellina sp. ?segmentata
Araneae (Spiders)	Tetragnathidae	Pachygnatha clercki
Araneae (Spiders)	Tetragnathidae	Tetragnatha extensa
Araneae (Spiders)	Tetragnathidae	Tetragnatha extensa
Araneae (Spiders)	Theridiidae	Pholcomma gibbum
Araneae (Spiders)	Theridiidae	Theridion sp.
Chordeumatida (Millipedes (in part))	Chordeumatidae	Chordeuma proximum
Coleoptera (Beetles)	Apionidae	Exapion ulicis
Coleoptera (Beetles)	Apionidae	Perapion curtirostre
Coleoptera (Beetles)	Apionidae	Perapion marchicum
Coleoptera (Beetles)	Byrrhidae	Byrrhus pilula
Coleoptera (Beetles)	Cantharidae	Cantharis cryptica
Coleoptera (Beetles)	Cantharidae	Cantharis pellucida
Coleoptera (Beetles)	Cantharidae	Cantharis rustica
Coleoptera (Beetles)	Cantharidae	Rhagonycha fulva
Coleoptera (Beetles)	Cantharidae	Rhagonycha fulva
Coleoptera (Beetles)	Cantharidae	Rhagonycha fulva
Coleoptera (Beetles)	Cantharidae	Rhagonycha lignosa
Coleoptera (Beetles)	Cantharidae	Rhagonycha limbata
Coleoptera (Beetles)	Cantharidae	Rhagonycha limbata
Coleoptera (Beetles)	Cantharidae	Rhagonycha limbata
Coleoptera (Beetles)	Cantharidae	Rhagonycha testacea
Coleoptera (Beetles)	Cantharidae	Rhagonycha testacea
Coleoptera (Beetles)	Carabidae	Bradycellus sharpi
Coleoptera (Beetles)	Carabidae	Notiophilus biguttatus
Coleoptera (Beetles)	Carabidae	Notiophilus biguttatus
Coleoptera (Beetles)	Carabidae	Pterostichus anthracinus
Coleoptera (Beetles)	Carabidae	Pterostichus strenuus
Coleoptera (Beetles)	Cerambycidae	Rhagium bifasciatum
Coleoptera (Beetles)	Chrysomelidae	Crepidodera fulvicornis
Coleoptera (Beetles)	Chrysomelidae	Luperus longicornis
Coleoptera (Beetles)	Chrysomelidae	Neocrepidodera transversa
Coleoptera (Beetles)	Chrysomelidae	Oulema obscura
Coleoptera (Beetles)	Curculionidae	Barypeithes araneiformis
Coleoptera (Beetles)	Curculionidae	Euophryum confine
Coleoptera (Beetles)	Curculionidae	Phyllobius argentatus
Coleoptera (Beetles)	Curculionidae	Polydrusus pterygomalis
Coleoptera (Beetles)	Curculionidae	Polydrusus pterygomalis
Coleoptera (Beetles)	Curculionidae	Polydrusus pterygomalis
Coleoptera (Beetles)	Elateridae	Agriotes pallidulus
Coleoptera (Beetles)	Elateridae	Aplotarsus incanus
Coleoptera (Beetles)	Elateridae	Aplotarsus incanus
Coleoptera (Beetles)	Elateridae	Aplotarsus incanus
Coleoptera (Beetles)	Elateridae	Aplotarsus incanus
Coleoptera (Beetles)	Elateridae	Aplotarsus incanus
Coleoptera (Beetles)	Elateridae	Athous haemorrhoidalis
Coleoptera (Beetles)	Elateridae	Athous haemorrhoidalis
Coleoptera (Beetles)	Elateridae	Athous haemorrhoidalis
Coleoptera (Beetles)	Elateridae	Dalopius marginatus
Coleoptera (Beetles)	Elateridae	Denticollis linearis

Coleoptera (Beetles)	Elateridae	<i>Denticollis linearis</i>
Coleoptera (Beetles)	Hydrophilidae	<i>Cercyon melanocephalus</i>
Coleoptera (Beetles)	Hydrophilidae	<i>Cercyon terminatus</i>
Coleoptera (Beetles)	Hydrophilidae	<i>Megasternum concinnum</i>
Coleoptera (Beetles)	Nitidulidae	<i>Meligethes aeneus</i>
Coleoptera (Beetles)	Oedemeridae	<i>Oedemera lurida</i>
Coleoptera (Beetles)	Oedemeridae	<i>Oedemera lurida</i>
Coleoptera (Beetles)	Oedemeridae	<i>Oedemera lurida</i>
Coleoptera (Beetles)	Scirtidae	<i>Cyphon ochraceus</i>
Coleoptera (Beetles)	Scaptiidae	<i>Anaspis frontalis</i>
Coleoptera (Beetles)	Scaptiidae	<i>Anaspis rufilabris</i>
Coleoptera (Beetles)	Scaptiidae	<i>Anaspis rufilabris</i>
Coleoptera (Beetles)	Staphylinidae	<i>Bisnius fimetarius</i>
Coleoptera (Beetles)	Staphylinidae	<i>Bisnius fimetarius</i>
Coleoptera (Beetles)	Staphylinidae	<i>Datomicra nigra</i>
Coleoptera (Beetles)	Staphylinidae	<i>Oxytelus laqueatus</i>
Coleoptera (Beetles)	Staphylinidae	<i>Philonthus marginatus</i>
Coleoptera (Beetles)	Staphylinidae	<i>Philonthus varians</i>
Coleoptera (Beetles)	Staphylinidae	<i>Quedius curtipennis</i>
Coleoptera (Beetles)	Staphylinidae	<i>Stenus aceris</i>
Coleoptera (Beetles)	Staphylinidae	<i>Stenus impressus</i>
Coleoptera (Beetles)	Staphylinidae	<i>Tachinus marginellus</i>
Coleoptera (Beetles)	Staphylinidae	<i>Tachyporus chrysomelinus</i>
Coleoptera (Beetles)	Staphylinidae	<i>Tachyporus chrysomelinus</i>
Coleoptera (Beetles)	Staphylinidae	<i>Tachyporus dispar</i>
Coleoptera (Beetles)	Staphylinidae	<i>Tachyporus hypnorum</i>
Diptera (True Flies)	Acartophthalmidae	<i>Acartophthalmus nigrinus</i>
Diptera (True Flies)	Anthomyzidae	<i>Anthomyza elbergi</i>
Diptera (True Flies)	Anthomyziidae	<i>Anthomyza gracilis</i>
Diptera (True Flies)	Bibionidae	<i>Bibio lepidus</i>
Diptera (True Flies)	Bibionidae	<i>Bibio lepidus</i>
Diptera (True Flies)	Bibionidae	<i>Bibio lepidus</i>
Diptera (True Flies)	Calliphoridae	<i>Lucilia caesar</i>
Diptera (True Flies)	Calliphoridae	<i>Lucilia caesar</i>
Diptera (True Flies)	Calliphoridae	<i>Pollenia amentaria</i>
Diptera (True Flies)	Calliphoridae	<i>Pollenia rudis</i>
Diptera (True Flies)	Cylindrotomidae	<i>Diogma glabrata</i>
Diptera (True Flies)	Diastatidae	<i>Diastata costata</i>
Diptera (True Flies)	Dolichopodidae	<i>Campsicnemus loripes</i>
Diptera (True Flies)	Dolichopodidae	<i>Campsicnemus loripes</i>
Diptera (True Flies)	Dolichopodidae	<i>Chrysotus gramineus</i>
Diptera (True Flies)	Dolichopodidae	<i>Dolichopus discifer</i>
Diptera (True Flies)	Dolichopodidae	<i>Dolichopus discifer</i>
Diptera (True Flies)	Dolichopodidae	<i>Dolichopus phaeopus</i>
Diptera (True Flies)	Dolichopodidae	<i>Dolichopus plumipes</i>
Diptera (True Flies)	Dolichopodidae	<i>Dolichopus plumipes</i>
Diptera (True Flies)	Dolichopodidae	<i>Dolichopus plumipes</i>
Diptera (True Flies)	Dolichopodidae	<i>Dolichopus plumipes</i>

Diptera (True Flies)	Dolichopodidae	Dolichopus plumipes
Diptera (True Flies)	Dolichopodidae	Dolichopus plumipes
Diptera (True Flies)	Dolichopodidae	Dolichopus simplex
Diptera (True Flies)	Dolichopodidae	Dolichopus simplex
Diptera (True Flies)	Dolichopodidae	Dolichopus unguulatus
Diptera (True Flies)	Dolichopodidae	Dolichopus unguulatus
Diptera (True Flies)	Dolichopodidae	Dolichopus urbanus
Diptera (True Flies)	Dolichopodidae	Gymnopternus aerosus (Hercc
Diptera (True Flies)	Dolichopodidae	Gymnopternus aerosus (Hercc
Diptera (True Flies)	Dolichopodidae	Hercostomus metallicus (Herc
Diptera (True Flies)	Dolichopodidae	Hercostomus nigripennis
Diptera (True Flies)	Dolichopodidae	Sciapus platypterus
Diptera (True Flies)	Dolichopodidae	Sciapus platypterus
Diptera (True Flies)	Dolichopodidae	Sciapus platypterus
Diptera (True Flies)	Dolichopodidae	Sympycnus pulicarius (S. deso
Diptera (True Flies)	Dolichopodidae	Sympycnus pulicarius/septent
Diptera (True Flies)	Empididae	Chelifera precatorea
Diptera (True Flies)	Empididae	Dolichocephala irrorata
Diptera (True Flies)	Empididae	Empis stercorea
Diptera (True Flies)	Empididae	Empis tessellata
Diptera (True Flies)	Empididae	Rhamphomyia stigmosa
Diptera (True Flies)	Empididae	Rhamphomyia tarsata
Diptera (True Flies)	Hippoboscidae	Ornithomya chloropus
Diptera (True Flies)	Hybotidae	Bicellaria vana
Diptera (True Flies)	Hybotidae	Bicellaria vana
Diptera (True Flies)	Hybotidae	Bicellaria vana/ciliata
Diptera (True Flies)	Hybotidae	Hybos culiciformis
Diptera (True Flies)	Hybotidae	Hybos grossipes
Diptera (True Flies)	Hybotidae	Leptopeza flavipes
Diptera (True Flies)	Hybotidae	Ocydromia glabricula
Diptera (True Flies)	Hybotidae	Tachypeza nubila
Diptera (True Flies)	Keroplastidae	Macrocera parva
Diptera (True Flies)	Keroplastidae	Macrocera stigma
Diptera (True Flies)	Keroplastidae	Macrocera stigma
Diptera (True Flies)	Keroplastidae	Macrocera stigmoides
Diptera (True Flies)	Keroplastidae	Macrocera stigmoides
Diptera (True Flies)	Keroplastidae	Macrocera vittata
Diptera (True Flies)	Keroplastidae	Platyura marginata
Diptera (True Flies)	Keroplastidae	Platyura marginata
Diptera (True Flies)	Lauxaniidae	Lyciella rorida
Diptera (True Flies)	Lauxaniidae	Meiosimyza platycephala
Diptera (True Flies)	Lauxaniidae	Meiosimyza rorida
Diptera (True Flies)	Lauxaniidae	Minettia rivosa
Diptera (True Flies)	Lauxaniidae	Sapromyza sexpunctata
Diptera (True Flies)	Limoniidae	Austrolimnophila ochracea
Diptera (True Flies)	Limoniidae	Austrolimnophila ochracea
Diptera (True Flies)	Limoniidae	Austrolimnophila ochracea
Diptera (True Flies)	Limoniidae	Austrolimnophila ochracea
Diptera (True Flies)	Limoniidae	Austrolimnophila ochracea
Diptera (True Flies)	Limoniidae	Cheilotrichia cinerascens

Species Notes

A widespread spider of undisturbed long grass and low
A fairly common orb-web spider of relatively undisturb
A common and widespread spider throughout UK
na
na
A common small green orb-spinner, often found in hec
A common hunting spider of tall herbs and grassland
A common hunting spider of tall herbs and grassland
A very small, common ground-living spider often found
A widespread but uncommon spider which occurs in a
A common spider throughout uk, which spins webs in l
A common spider throughout uk, which spins webs in l
A common woodland spider throughout UK, relatively
A common spider throughout uk, which spins webs in l
A common and widespread spider throughout UK, usu
A common woodland spider throughout UK including
A common, widespread pioneer in disturbed grassland
A common and widespread species of woodland, mars
na
Widespread in a variety of damp habitats
A very common money spider of disturbed habitats
A fairly common money spider of low vegetation
A common money spider of (damp) disturbed grassy ar
An uncommon money spider of northern and western
A common wolf spider
A common wolf spider running in (disturbed) grassy pla
A very common grassland and heathland wolf spider
A fairly common dry grassland spider, sometimes also
A fairly common dry grassland spider, sometimes also
na
na
na
na
na
A common spider of bushes and low tree foliage
A common spider of long grass.
A fairly common spider of long grass
A common and widespread late season orb-web spinn
A common and widespread late season orb-web spinn
A common and widespread late season orb-web spinn
A common and widespread late season orb-web spinn
A common and widespread early season orb-web spinn
A common and widespread early season orb-web spinn
A common and widespread early season orb-web spinn
A common and widespread late season orb-web spinn
A common and widespread late season orb-web spinn
A common and widespread late season orb-web spinn
A common orb-web spinner or open situations, edges
A common orb-web spinner or open situations, edges

A common orb-web spinner on open situations, edges
A common web-spinner of damp, marshy vegetation
A common orb-web spider of long grass, often on water
A common spider of long grass, especially near water: w
A fairly common woodland spider also in heather
One of a group of common tangle-web spiders
A local species of woodland millipede.
A widespread weevil; on Gorse (*Ulex* spp.)
A widespread weevil; on Docks (*Rumex* spp.)
A local weevil: on Sheep's Sorrel (*Rumex acetosella*)
A widespread Pill Beetle. Both adults and larvae feed c
A widespread Soldier Beetle of scrub and woodland ed
A widespread Soldier Beetle of woodland habitats
A widespread Soldier Beetle of tall grassland habitats
A common and widespread Soldier Beetle; in tall veget
A common and widespread Soldier Beetle; in tall veget
A common and widespread Soldier Beetle; in tall veget
A widespread Soldier Beetle; on trees and shrubs
A widespread Soldier Beetle of grassland habitats
A widespread Soldier Beetle of grassland habitats
A widespread Soldier Beetle of grassland habitats
A widespread Soldier Beetle of wet scrub and woodlan
A widespread Soldier Beetle of wet scrub and woodlan
A widespread Ground Beetle of damp and shady habit
A common Ground Beetle; in a range of habitats
A common Ground Beetle; in a range of habitats
A scarce and local Ground Beetle of marshy habitats
A widespread Ground Beetle of grassland habitats
A widespread longhorn beetle which breeds in decayin
A widespread Leaf Beetle; on Willows (*Salix* spp) and P
A widespread Leaf Beetle; on trees, shrubs and heather
A widespread polyphagous Leaf Beetle
A widespread Leaf Beetle; on grasses
A widespread Weevil; on grasses
A widespread but rather local timber-boring Weevil. A
A widespread Weevil; on trees and shrubs
A widespread Weevil; on various trees
A widespread Weevil; on various trees
A widespread Weevil; on various trees
A widespread Click Beetle of damp grassy habitats
A widespread Click Beetle; larvae on the roots of grass
A widespread Click Beetle; larvae on the roots of grass
A widespread Click Beetle; larvae on the roots of grass
A widespread Click Beetle; larvae on the roots of grass
A widespread Click Beetle; larvae on the roots of grass
A common and widespread Click Beetle; larvae on the
A common and widespread Click Beetle; larvae on the
A common and widespread Click Beetle; the larvae fee
A common and widespread Click Beetle; larvae on the
A widespread Click Beetle associated with woodland vi

A widespread Click Beetle associated with woodland vegetation
A common species, often in dung
A scarce and local species, often in dung
A common species, often in dung
A common and widespread Pollen Beetle
A common and widespread False Blister Beetle of open habitats
A common and widespread False Blister Beetle of open habitats
A common and widespread False Blister Beetle of open habitats
A widespread but local beetle of marshy habitats
A widespread False Flower Beetle; adults are often found on flowers
An uncommon and local False Flower Beetle which breeds on flowers
An uncommon and local False Flower Beetle which breeds on flowers
A widespread Rove Beetle preying on insect larvae
A widespread Rove Beetle preying on insect larvae
Often in decaying vegetation. Probably widespread but local
A widespread Rove Beetle; in dung
A widespread Rove Beetle; often associated with damp habitats
A widespread Rove Beetle; often associated with dung
A widespread but very local Rove Beetle; mainly lowland habitats
A widespread Rove Beetle; often associated with damp habitats
A widespread Rove Beetle; living in mosses and tussocks
A widespread Rove Beetle; living in dung and decaying vegetation
A widespread Rove Beetle; often in leaf litter
A widespread Rove Beetle; often in leaf litter
A widespread Rove Beetle; often in damp leaf litter
A widespread Rove Beetle; often in leaf litter
An infrequently recorded fly associated with decaying vegetation
locally common in wetland and grassland habitats
Widespread in grassland habitats.
A common and widespread fly; larvae in decaying vegetation
A common and widespread fly; larvae in decaying vegetation
A common and widespread fly; larvae in decaying vegetation
A common greenbottle; larvae on carrion.
A common greenbottle; larvae on carrion.
A widespread but local cluster fly. Larvae predate earthworms
A common cluster fly. Larvae predate earthworms
A Nationally Scarce crane fly (ref). Larvae in damp mosses
A widespread species; larvae possibly in decaying wood
A widespread species in Wales, although may be more common in the north
A widespread species in Wales, although may be more common in the north
A widespread and common species of grassland habitats
May be locally common, particularly in the north and west
May be locally common, particularly in the north and west
Nationally Scarce (Drake, 2018). A widespread but very patchily distributed wetland species found in acid seepages and mires.
A widespread and locally common species of damp grassland habitats
A widespread and locally common species of damp grassland habitats
A widespread and locally common species of damp grassland habitats
A widespread and locally common species of damp grassland habitats

A widespread and locally common species of damp gra
A widespread and locally common species of damp gra
A widespread species found in a range of habitats.
A widespread species found in a range of habitats.
A common species found in a range of habitats.
A common species found in a range of habitats.
A widespread species found in a range of habitats.
A widespread species found in a range of habitats.
A widespread species found in a range of habitats.
A widespread species found in a range of habitats.
A widespread species found in a range of habitats.
A widespread species found in woodland habitats.
A widespread species found in woodland habitats.
A widespread species found in woodland habitats.
na
na
A local predatory fly; larvae possibly in fast-flowing wa
A widespread but local species with aquatic larvae
A common yellow predatory fly
A very common empid fly
An uncommon and local fly, mainly in upland habitats
A small and widespread predatory dance fly
A highly modified bird parasite. Uncommon and more-
A common small predatory fly of damp shady places
A common small predatory fly of damp shady places
na
A widespread predatory fly of scrub habitats
A widespread predatory fly of scrub habitats, although
A common woodland predatory fly; larvae in decaying
A common viviparous fly; the young larvae are scattere
A common woodland fly; the predacious larvae are fo
common in woods and open habitats, biology unknown
common in woodland, biology unknown but obtained i
common in woodland, biology unknown but obtained i
common in woodland, biology unknown but obtained i
common in woodland, biology unknown but obtained i
common in woodland, biology unknown but obtained i
locally common in damp woodland with mossy ground
locally common in damp woodland with mossy ground
A common saprophagous fly
A locally common saprophagous fly
A common saprophagous fly
A common saprophagous fly
A widespread but rather local saprophagous fly
A very common crane-fly of woodland and other habita
A very common crane-fly of woodland and other habita
A very common crane-fly of woodland and other habita
A very common crane-fly of woodland and other habita
A very common crane-fly of woodland and other habita
A common crane-fly found in a range of vegetated hab

A common although local crane fly of moorland and ot
A common although local crane fly of moorland and ot
A common although local crane fly of moorland and ot
An uncommon crane fly of upland peaty habitats
An uncommon crane fly of upland peaty habitats
An uncommon crane fly of streams in upland peaty hal
An uncommon crane fly of streams in upland peaty hal
An uncommon crane fly of streams in upland peaty hal
A very common woodland crane fly
A common crane fly, often associated with muddy habi
An uncommon crane fly associated with flushes
An uncommon crane fly; perhaps associated with boggy
An uncommon crane fly; perhaps associated with boggy
An uncommon crane fly; perhaps associated with boggy
A local species of wet upland habitats
A common species of pond margins and wet habitats
A common crane fly, particularly in damp woodland hal
A common crane fly, particularly in damp woodland hal
A common crane fly, particularly in damp woodland hal
A common crane fly of boggy habitats
A widespread crane fly of wet habitats
An uncommon crane fly, restricted to acid bogs
A local species of woodland with stream margins
na
A local crane fly of wet woodland habitats
A local crane fly of wet woodland habitats
na
A widespread wetland crane fly
A widespread wetland crane fly
A widespread wetland crane fly
A widespread wetland crane fly
A tiny and uncommon woodland crane fly
A tiny and uncommon woodland crane fly
A local crane fly
A common spear-winged fly of grassland habitats
A common spear-winged fly of grassland habitats
A common Greenbottle-like fly
A common Greenbottle-like fly
A common Greenbottle-like fly
A common Greenbottle-like fly
na
common in woodland, biology unknown
common in woodland, biology unknown
common in woodland, biology unknown
common in woodland, biology unknown
common in woodland, polyphagous in terrestrial fungi
common in woodland, develops in wood encrusting fu
A common grassland fly; the larvae mine the stems of ;
A common grassland fly; the larvae mine the stems of ;

A local hoverfly; the larvae are associated with decayir
A common hoverfly; its larvae live in decaying wood ar
A common hoverfly; its larvae live in decaying wood ar
A common hoverfly; its larvae live in decaying wood ar
A common hoverfly; its larvae live in decaying wood ar
A common hoverfly; its larvae live in decaying wood ar
A common and widespread horsefly
A local parasitoid fly; its larvae are polyphagous on a w
A very large and distinctive fly with a black bristly body
A widespread picture-winged fly. The larvae mine the c
A local upland crane-fly with aquatic larvae
A common and widespread crane-fly; the larvae are 'lea
A common and widespread crane-fly; the larvae are 'lea
A very local crane-fly, particularly associated with wet v
A widespread but local picture-winged fly; the larvae a
A very local but fairly widespread mayfly of rivers and :
A common woodlouse-like millipede
A common and widespread froghopper
A common and widespread froghopper. Brightly and d
A widespread species; on Birch (*Betula* spp.)
A local and rather uncommon plant-hopper
A common xerothermic species; often on wooded slop
A common xerothermic species; often on wooded slop
A common xerothermic species; often on wooded slop
A common xerothermic species; often on wooded slop
A common xerothermic species; often on wooded slop
A widespread but local shieldbug
Provisional identification as very difficult to separate fr
Provisional identification as very difficult to separate fr
A common and widespread plant-bug
A common and widespread plant-bug
A teneral specimen of a common species found among
A widespread plant bug often associated with woodlar
A widespread plant bug feeding on bracken (*Pteridium*
A local plant-bug of grassland habitats
A local plant-bug of grassland habitats
A widespread plant bug, often associated with Oak (Qu
Not always possible to reliably separate without male
A common species; feeding on unripe grains of various
A common species; feeding on unripe grains of various
A common species; feeding on unripe grains of various
An upland species associated with purple moor grass (l
A common species; feeding on unripe grains of various
A common species; feeding on unripe grains of various
A common species; feeding on unripe grains of various
Widespread. Predator on caterpillars and sawfly larvae
Widespread. Predator on caterpillars and sawfly larvae
A widespread species of damp grassland.
Widespread. A predator on caterpillars and sawfly larv
A widespread soil-nesting bee.

A widespread soil-nesting bee. Rather local in Wales
A widespread soil-nesting bee. Rather local in Wales
The domesticated honeybee.
A common and widespread bumblebee.
Many females of this species complex cannot currently
Many females of this species complex cannot currently
Many females of this species complex cannot currently
Many females of this species complex cannot currently
na
na
An upland species normally associated with Bilberry (V
A common buff-tailed bumblebee
A common buff-tailed bumblebee
A common orange-tailed bumblebee
A common and widespread soil-nesting bee
A widespread but local soil-nesting bee of moorland ar
A widespread Digger Wasp; cleptoparasite of the nesti
A common species on high moorland and uncultivated
A common species on high moorland and uncultivated
A common species on high moorland and uncultivated
A common species on high moorland and uncultivated
A common species on high moorland and uncultivated
The common and widespread Yellow Meadow Ant. Wc
The common and widespread Yellow Meadow Ant. Wc
A local but widespread red ant. It prefers sunny, warm
A local but widespread red ant. It prefers sunny, warm
A local but widespread red ant. It prefers sunny, warm
A common red ant which could be the UK's commones
A common red ant which could be the UK's commones
A common red ant which could be the UK's commones
A common red ant which could be the UK's commones
A widespread ant, occuring in a range of habitats but h
A widespread ant, occuring in a range of habitats but h
A widespread ant, occuring in a range of habitats but h
A common and widespread woodlouse
A common and widespread species.
A common and widespread woodlouse.
A common and widespread species.
A common and widespread woodlouse
A common and widespread species.
A common and widespread woodlouse.
A common millipede, often under bark
Juvenile; provisional ID. An uncommon and local millip
A widespread butterfly of open habitats
A butterfly of rough grassland and woodland rides whi
A butterfly of rough grassland and woodland rides whi
A widespread but increasinly local butterfly
A widespread but increasinly local butterfly
